Original HSP Fibreglass Diving Board

Produced specially, with great spring, for daily use in pools and for general sport use. The board is not effected by dampness, is robust, elastic and maintenance free. The silicon carbide cover gives it good grip. We recommend that it should be sprinkled with water on a daily basis to clean the upper surface. The following are included for assembly:

- fixing bolts
- upper plate
- rubber intermediate plate

5 year guarantee if properly assembled
